ECM vendor welcomes new customer from banking sector

Bank Pekao S.A. trusts in Doxis4

(October 9, 2019 – Warsaw) The SER Group is thrilled to welcome another new customer from the banking sector: Bank Pekao S.A. Based in Warsaw, Poland, the bank is focused on smart growth and high customer value. The SER Group is excited to be a part of its continuing success story.

Pekao, one of the largest banks in Poland in terms of asset volume, has selected SER's Doxis4 as its future content platform (ECM). Bank Pekao aims to be a leader in smart growth. It offers clients efficiency and quality, provides excellent integrated risk management, and takes pride in being a top employer.

The bank has already been taking steps to improve innovation and mobility for its clients. The implementation of an enterprise content management platform is one of the next steps. In the coming months, the teams of Bank Pekao and the SER Group – supported by SER's partner Betacom – will start to migrate the existing documents to Doxis4. We are delighted to welcome another new customer from the banking sector to the Doxis4 family.

About the SER Group

SER is a leading software vendor of the international enterprise content management (ECM) market. Over five million users work every day with SER's Doxis4 ECM platform. Based on unified ECM, BPM, collaboration and cognitive services, large companies, corporations, public authorities and organizations design digital solutions for intelligent information and process management. With 35 years of experience, SER's team of 550 employees works from 22 locations around the globe. www.sergroup.com/en
